

Support geology@ucdavis!

Your charitable, tax-deductible gift to the UC Davis Department of Earth and Planetary Sciences (formerly Geology) is greatly needed and appreciated. Your donation will be used to support the highest priority projects in the department: our undergraduate and graduate geology students, departmental programs and facilities. Thank you for your consideration.

☐ Yes, I/we will support geology; please apply my gift to the area of greatest need.

Or you may choose to make a directed gift:

☐ I/we want to support faculty and research programs. _____
please specify faculty name or research program

☐ I/we want to make a directed donation.

Card number: _____ Expiration: _____

Name on Card: _____ Signature: _____

Donor Information:

Name(s) _____

Mailing Address _____

Home Phone _____ Business Phone _____ Cell _____

Email _____

How to list donor name(s) for recognition: _____

☐ I/We wish to remain anonymous to the extent allowed by law.

Additional gift options

____ Making a gift of appreciated securities

____ Making a gift to UC Davis through my will or estate

Please return this form to:

Corinne Esser
Department of Earth and Planetary Sciences
One Shields Avenue
Davis, CA 95616

Questions? Please contact Elisha Findley at emfindley@ucdavis.edu or (530)754-2219.

The 1977 California Information Practices Act requires UC Davis to provide the following information to individuals asked to supply information about themselves: UC Davis is requesting this information to maintain accurate donor files in the Office of University Relations. Furnishing the information is strictly voluntary and it will be maintained confidentially. The information may be used by other university departments in the regular course of business but will not be disseminated to others except if required by law. You have the right to review your own data file. Inquiries should be forwarded to the Director of Advancement Services, University of California, One Shields Avenue, Davis, CA 95616. The University is grateful for the support it receives from alumni and friends. One of the ways our thanks is expressed is through listing the names of donors in various publications. Should you wish that your name not appear as a donor, please notify us if you have not already done so. It is the policy of the University of California, Davis and the UC Davis Foundation to utilize a portion of the gift principal and/or the short-term investment income on current gifts and grants to support the cost of raising and administering gift funds.

DEPARTMENT OF EARTH AND PLANETARY SCIENCES

Please select any applicable funds for your donation. Your generous contribution will be divided evenly among your choices unless otherwise specified.

You may also donate online by visiting the UC Davis secure giving site at:

Earth and Planetary Sciences Directed Donation Options

- ☐ **Cordell Durrell Field Geology Fund**
Supports undergraduate and graduate student research projects in both the laboratory and in the field
- ☐ **Eldridge and Judith Moores Field Geology Fund**
Supports both undergraduate and graduate students participating in independent and department sponsored field excursions
- ☐ **Eldridge Moores Distinguished Visiting Scholars Fund in the Geosciences**
Brings prominent Earth Scientists to UC Davis to give a series of seminars to students and faculty
- ☐ **Electron Microprobe Fund**
Yields precise quantitative chemical information at the micron scale – critical for a broad variety of disciplines. Gifts will provide greater opportunities for student use of the electron microprobe
- ☐ **Geology Graduate Student Support**
Supports research, programs and education to benefit graduate students
- ☐ **Louise Kellogg Memorial Fund**
Supports first generation students studying Earth and Planetary Sciences at UC Davis
- ☐ **Pathways to Professional Geology Fund**
Supports students on the pathway to professional licensure and a rewarding professional career by providing direct financial assistance and preparatory resources for the ASBOG exam
- ☐ **Rand Schaal Field Fund**
Provides funding for department field trips and student field research projects
- ☐ **Robert Matthews Memorial Endowment**
Helps undergraduate geology students meet their academic and geological pursuits
- ☐ **Seismogram Rescue, Preservation, and Curation Project**
70 years of historic seismological data are at risk. These data are irreplaceable and indispensable in the studies of our changing earth. Contributions will give us the ability to store these records indefinitely.
- ☐ **Summer Field Geology Fund**
Support for expenses related to the annual Summer Field Geology course, considered to be the most valuable within the geology curriculum.
- ☐ **Earth and Planetary Sciences Department** (Formerly Geology)
Supports the highest priority projects in the department for undergraduate and graduate students, departmental programs, equipment and facilities
- ☐ **Earth and Planetary Sciences KeckCAVES Fund**
Advances Earth science research capabilities by developing cutting-edge virtual reality data visualization and analysis techniques and tools. keckcaves.org
- ☐ **Earth & Physical Sciences Building Educational Enhancement Fund**
Expands public education and outreach inside and outside the Earth & Physical Sciences Building for projects such as the UC Davis California Rock Garden
